AOR 2001-13

Dear General Counsel:

I wish to challenge the filing of the Green Party of the United States (GPUS) for recognition as the national committee of the Green Party.

Greens/Green Party USA is incorporated. However, I believe that the GPUS, which was formed this year, is making illegitimate use of the name "Green Party".

I am the coordinator of the Ocean Green Party, G/GPUSA and was the 1996 Greens /GPUSA, candidate for State Senate, 10th district New Jersey,

I do not recognize the GPUS as representing myself or my local GPUSA chapter and oppose the designation of GPUS as national Committee of the Green Party.

Sincerely,

Edith Gbur
